SAUNA HEATERS

		Code	Product	Product Description	Price
Electric Heaters	VEG6	Electric heater Harvia Vega BC60, 6kW 400V 3N	Harvia Vega is an elegant heater that is easy-to-use. The stainless steel outer casing of the heater gives your sauna a modern look. The operating switches are placed ergonomically in the upper part, on the side of the heater, which provides easy operating.	370 EUR	
	VEG8	Electric heater Harvia Vega BC80, 8kW 400V 3N		390 EUR	
	KIP9	Electric heater Harvia Trendi KIP90, 9kW 400V 3N	The KIP is a traditional wall-mounted heater with a built-in control panel. The large stone space provides optimal heat release. The recommended size of the sauna room is 8–14 m³.	440 EUR	
	CLU1	Electric heater Harvia Club 13.5, 13.5kW 400V 3N	The floor-mounted Club electric heaters are of the world-famous Harvia quality. They are completely made of stainless steel and provide the power and durability required for heavy-duty use. The Club heaters are controlled by a separate control unit Griffin CG170. The recommended size of the sauna room is 11–20m³.	1150 EUR	
	HPROFI	Electric heater Harvia Profi L30, 30kw, 400V 3N	The floor-mounted Profi electric heaters are of the world-famous Harvia quality. They are completely made of stainless steel and provide the power and durability required for heavy-duty use. The Profi heaters are controlled by a separate control unit Harvia Griffin CG170 17 kW.	1.950 EUR	
Wood-burning	HM3	Wood burning stove Harvia M3, 16.5 kW	A stylish stove for smaller saunas. The Harvia M3 has a classic design and is suitable for smaller, wood burning saunas. The recommended size of the sauna room is 6–13 m³.	550 EUR	
	HM3SL	Wood burning stove Harvia M3 SL, 16.5 kW (outside firewood feeding)	The SL model are designed for people who want to conveniently heat their sauna from another room or outside the sauna.	680 EUR	
	HPRO	Wood burning stove Harvia Pro 20, 24.1 kW	Harvia 20 Pro gives a good hot bath in medium-sized saunas. It has a big stone space and an air-flow spoiler made of stainless steel. The recommended size of the sauna room is 8–20 m³.	700 EUR	

- * **Wood-burning Heater SET:** heater, stones and chimney
- * **Electric Heater SET:** heater, connections and stones
